Home Office Phone System

This Cordless Phone System is an ideal solution for small and home-sized office or businesses. Paring with up to a total of 4 DECT handsets, it allows you to enjoy superb mobility and efficient flexibility immediately as well as significantly eliminates additional wiring troubles and charges. To provide a better and higher performance, this Home Office phone system not only supports up to 3 concurrent telephone calls, but also gives you the ability to answer and transfer calls between extensions.

IP & Fixed Line Technology

This Cordless Phone System can accommodate one fixed Telkom telephone line as well as two of our cheaper telephone lines with cheaper phone call rates. The handsfree talking function allows you to multitask with ease.

FREE Maintenance

We offer our **Free Remote Login Maintenance Service** with our iServ PBX systems, at **No Extra Cost**. **We can log into your Wireless telephone system remotely the same day you log a fault to resolve it.** No longer do you have to wait days for a technician to be dispatched, to attend to faults.
